LOCAL 3

Winter 2008-2009

Three members of the Bolingbrook Police Association (Ken Simpson, Bob Liazuk and Pete Moranda) will join other law enforcement officers and suburban firefighters to lace up their skates to play in the Annual Guns-N-Hoses Charity Hockey Game at the All State Arena, prior to a Chicago Wolves Game. This year's event will be held on March 21, 2009 and will be skating to raise money for the American Brain Tumor Association.

In the past, this game has raised over \$100,000.00 for charities which included: Ronald McDonald House, Make A Wish Foundation, The One Hundred Club, The Lexi Kazian Foundation, New York Firehouse, which lost several members on the 9-11 attacks, and most recently Juvenile Diabetes Foundation. The funds are raised in various capacities which include a raffle, direct donations and money from tickets sold for the event. Last year's event raised over \$17,000.00, \$3,000.00 coming from the raffle alone. Police and Fire Unions, local businesses, merchants and individuals have made donations directly to the event, while others provide items for the raffle.

Along with the American Brain Tumor Association and the Chicago Wolves, we are asking for consideration in supporting this charity event with either a direct donation or raffle prize in order to meet our goal of \$20,000.00. If this is a cause that you are willing to support please make checks payable to the **Chicago Wolves** or supply a raffle item which will be raffled off at the event.

Thank you for your generosity and support.

November 2008

Dear Friends:

The suburban police and fire departments will be participating in the **8th Annual Guns n Hoses Hockey Game** on Saturday, March 21, 2009 at the Allstate Arena in Rosemont, Illinois at 12:30 p.m. In total these hockey games have raised over \$100,000 for charity. Once again we are looking for your support.

This year, all proceeds will benefit the research and patient education programs of the American Brain Tumor Association. With your support, we can help others who are fighting for their lives. We must all work together with the hope that one day a cure will be found. Your contribution as a *Sponsor* or *In-Kind* donor can definitely make a difference. All donors will be recognized at the games. Additionally, if you would like to attend a game, please let us know how many tickets are needed so they can be set aside.

If you are able to contribute, please make checks payable to **Chicago Wolves** and send to
