Re: Lisle Chapter #87, Contract Arbitration

Mr. Andalina,

I would like to thank you and your staff for the support MAP has given us over the years. Our most recent contract was just signed; it took over two years to complete, but MAP stood by us the whole time. Our Village was fighting for a pay freeze and the matter ultimately went to arbitration. Attorney Rick Reimer and Al Molinaro provided us with excellent representation throughout. Not only did we win the arbitration, we prevailed on ALL outstanding issues – it was a clean sweep for the Union!

Prior to becoming a MAP Chapter our wage and benefit package was the lowest of our comparable communities; today we rank near the top. MAP's dedication to their members, and willingness to fight for benefits has made a huge difference to our Chapter.

Thank you,
John Gaw
